

OMNA ON TOUR PRESENTS

Integrated Systems of Care to Reduce Mental Health/Health Disparities in the Golden State

Friday and Saturday, April 1-2, 2011

Courtyard Sacramento Midtown Hotel
4422 Y Street, Sacramento, California

COORDINATING ORGANIZATIONS

American Psychiatric Association's Office of Minority and National Affairs (OMNA); American Association of Community Psychiatrists; University of California, Davis Department of Psychiatry and Behavioral Sciences; University of California, Davis Center for Reducing Health Disparities; Central California Psychiatric Society; Sacramento County Department of Health and Human Services Divisions of Primary Health and Behavioral Health

COURSE DESCRIPTION

This program will focus on the implementation and development of a culturally competent integrated system of care in California with emphasis on service delivery, workforce, and funding.

COURSE OBJECTIVES

- To review the issues surrounding service delivery, workforce and funding of integrated health/mental health care delivery systems in California.
- To examine cases of integrated systems in various stages of development and implementation in five California counties and Oregon.
- To explore critical factors in delivering quality mental health services to diverse populations in integrated systems of care.

TARGET AUDIENCE

This program is intended for psychiatrists and other mental health clinicians, primary care providers, residency training directors, other health care professionals, especially nurses and mental health clinicians such as social workers, clinical psychologists, and counselors, legislators, policy and decision makers, trainees, residents, patients and their families.

REGISTRATION

Attendance is limited to 100 people. There is no fee to attend this event. Event meals, refreshments and reception on Friday are included. To register, visit www.psych.org/share/OMNA/omnaontour.aspx. A confirmation screen will immediately appear after submission and a confirmation will be emailed to you. If you do not receive confirmation, contact Rosa Bracey at 703-907-8539 or omnaontour@psych.org. Direct other queries to Ms. Bracey as

The American Psychiatric Association (APA) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide Continuing Medical Education (CME) for physicians.

The American Psychiatric Association (APA) designates this Live activity for a maximum of 10.25 AMA PRA Category I Credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURE

Planning committee members, faculty and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of this information will be published in course materials so participants in the activity may formulate their own judgments regarding the presentation.

Agenda and Faculty—next page

OMNA on Tour is a traveling education program of the American Psychiatric Association designed to inform communities around the nation about the significance of disparities in mental health care among diverse and underserved populations and to encourage collaborative action among those who can facilitate change.
